

LLWGS 2010 MEMBERS-ONLY POND TOUR

AT LEFT, Waterfall spills into pond and stream at southwest side Springfield home. ABOVE Members enjoy pond and gardens.

Pond is home to variety of plants, frogs, and turtle

TOUR STOP 1:

MEMBERS admire water feature which includes a small waterfall and pond with plants and fish (far left). At LEFT, another water feature.

TOUR STOP 2:

CLOCKWISE FROM LEFT: Members check out the 6,000 gallon pond at the home of the LLWGS president. Above, the homeowner discusses the filtration options for the pond which features 15 koi, lillies, lotus and other water plants. At left, koi look for lunch, while at far left, a lotus blooms for the occasion.
